Dear Valued Business Owner,

Our Esperanza High School Women's Basketball players are in need of your help. We are asking for a small donation to assist us with creating our women's basketball program/magazine. In exchange for your donation, we have ad space available within the program/magazine for you to consider purchasing. This program/magazine will be made available at games.

You are receiving this request because our teams already frequent your business with their family and friends and feel supporting local businesses is important.

Thank you for considering this request in support of the Esperanza Women's Basketball program.
